

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Dikhowmukh College, in order to maintain a healthy and conducive atmosphere in the campus, has taken initiative and formed different committees, such as Academic, Career Counselling, Disciplinary Action, Sexual harassment, Anti-ragging, etc. The college authorities, headed by the Principal of the college regularly sits with these committees to chalk out an action plan and discuss the effect and progress of the steps taken. Valuable suggestions and proposals are discussed in the Committee meetings and decisions are taken for implementation of the same as and when necessary. The academic Committee, which is responsible for preparing class routines, academic calendar etc, mainly aims to create and maintain healthy academic atmosphere in the campus. For the laboratories of the Education department, there is a laboratory bearer, and the faculty members led by the head of the department are in charge of it. The requirements of the laboratory are enlisted and presented to the Principal for procurement. There is a computer laboratory for the students, apart from computers at departments and the library. CCTV cameras have been installed in the campus for its security. Night Chowkidars bear the responsibility of monitoring the campus at night. The classrooms of the college are well furnished, with limited Wi-Fi facility. The faculty members take the help of latest ICT facilities in teaching and learning. There is an indoor Stadium Complex and outdoor games facilities are also therefor the students. There is a Purchase Committee which buys the necessary goods for sports and other requirements in the campus. The college provides all necessary support in the field of sports and culture to the aspiring students, like facility for practice, coach, financial assistance to join in different sporting and cultural events such as Youth Festivals, etc. In the recent past the students have been successful in winning various competition like weight-lifting and other sports. Different workshops and lectures are organized and eminent personalities are invited to interact with students and help in their personality development from time to time. Apart from the NSS, where many students are volunteers taking up responsibility for the improvement of campus life and the life in the periphery, the college has started training for NCC only recently. In this way, the Dikhowmukh College is trying to keep up the all-round development of the student community.
